Focus

Our focus is to protect the privacy of visitors' data and other information. We welcome your suggestions and inputs which may help us to improve this site or our services.

Information

The term 'information for the purpose of this site and for this privacy statement shall mean and include identifiable information provided by the visitors to this site, such as name, title, company name, and address, mailing addresses, telephone, fax numbers, etc.

Information and its use

IG Services collects information voluntarily provided by the visitors to this site. Visitors are able to browse the site without registration or disclosing any personal information. A visitor to the site may choose to provide limited information to enable IG Services to contact or revert on the query or in response to the expression of interest for working with IG Services.

It is our attempt to avoid collection of excessive information. We would suggest visitors not to provide sensitive information unless expressly requested by us. By providing the information you will be providing explicit consent which will enable IG Services to use the information for the purposes for which it was supplied.

Choices

As a policy, visitors are not required to register to gain access to IG Services Web site. In future, as IG Services site may expand or be made interactive, in that case, we may require visitors to register for authentication and to ensure secure access to the site.

Disclosure to third parties

The information is not shared with other entities for secondary or unrelated purposes. IG Services does not collect or compile information obtained by this site for dissemination or sale to outside parties for marketing purposes or similar purposes. IG Services shall disclose the information for the following reasons, only to the extent required:

- Where the transfer of information is necessary to fulfill visitors request or involves support or interaction with agencies with which IG Services has professional relationship
- When explicitly requested by the visitor.
- When required by a court, legal, administrative or regulatory authority.

Security

It is our endeavored commitment to protect data from

- Unauthorized access
- Improper use or disclosure
- Unauthorized modification
- Unlawful destruction or accidental loss

Cookies

Cookies are and may further be used on this site. We do not link personal data to the information contained in the cookie to determine or track the identity of any user. If you do not want to receive a cookie from this or any other site, you have the option of rejecting it.

Expressing an interest to work with IG Services

Expression of such an interest will be interpreted as your consent to use, hold and destroy the information that you may supply. We may retain your details for future vacancies that may arise and may use it to improve recruitments and HR policies. Depending upon the openings, your data may be transferred to our clients and business associates in or outside India.

Miscellaneous

Third party and related links on this website may or may not operate under privacy practices. Visitors should review each site's privacy policy before disclosing any identifiable information. Further, in the ever-changing scenario, we reserve the right to add, alter or modify this statement at any time without any prior notice which shall be effective from the date such modified statement is uploaded on this site.
